5 Star Customer Service

Is your team delivering the **BEST** Practice Customer Service it can?

If not, this seminar is for you!

INTERACTIVE AND A FUN LEARNING ENVIRONMENT

This seminar is designed to teach how to give your patients 5 Star Customer Service and set a positive tone to your practice.

Engaging with your patients will make them feel special and never want leave your practice.

Having fun while you are working will create positive working environment.

Positive energy is contagious which creates patients trusting you and saying yes to treatment plans.

I have been in the Dental Industry for 44 years and was a Flight Attendant for 2 years.

Let me pass onto to you my experience in Customer Service to your Dental Team in the comfort of your practice. Yes I come to you.

Can your Surgery really afford not to have this training session?
