

## “Education Prevents Litigation”

### INTRODUCTION TO DENTAL NURSING

**Let’s work together for a positive result for your practice as we offer this course in South Australia, Queensland and Victoria.**

Are you frustrated with untrained dental nurses? We can help by training with everyday duties of a dental nurse.

This course is tailored to suite your dental practices needs.

Training could include but not limited to:

- Charting
- Changeovers – including wiping down and placing barriers and transporting instruments
- Reprocessing of reusable instruments
- PPE
- Documentation and recording in sterilisation log book
- Answering the phone
- Greeting patients
- Hand washing techniques
- Setting up for procedures
- Reporting to practice manager or dentist feedback on trainee
- Understanding of dental procedures Eg. Root canal treatment
- Start of day procedures
- End of day procedures
- Handouts will be given
- Homework will be given on the day

We look forward to hearing from you to discuss conducting these fun and engaging training courses in your practice.
